**Baptist Children's Home and Family Services**

In 1979, **Baptist Children's Home & Family Services** opened its first maternity home, Brooks Clark Maternity Center, in Carmi. In 1985 the program moved to Mt. Vernon, providing care through specialized foster homes.

In January 1993, we opened our present facility, a beautiful home-like setting. Since that time, we have served many mothers and their children in our residential home and in their own homes. **Our program continues to assist those in a crisis pregnancy, providing an alternative to abortion and allowing them the option of parenting or adoption.**

For those choosing to parent, we hope to equip them to be better parents through education and counseling, while also meeting their medical, physical, and spiritual needs.

For those choosing adoption, we are a licensed adoption agency, offering various degrees of openness.

Our goal is to continue providing shelter, guidance and support to young mothers and their children. We pray they will come to know Jesus Christ and His **PURPOSE** for their lives.

“For He orders His angels to protect you wherever you go. They will steady you with their hands to keep you from stumbling against the rocks on the trail.” Psalms 91:11-12
